SAMSUNG

imagine an impressive wireless work hub for all your home office needs

A small printer with big features. The CLX-3175FW series is bursting with features and wireless functionality. Multi-talented and compact this is a printer that you just can't do without. With the Samsung CLX-3175FW, it's not that hard to imagine.

WIRELESS
802.11b/g

CLX-3175FN / CLX-3175FW vs other colour laser printers

USB direct print and scan
Print directly and scan to your USB portable data storage keys for maximum ease and speed.

It's compact
This powerful, compact and stylish colour laser printer was designed to fit into professional work spaces. Now even small professional businesses and home offices can enjoy the benefits and the impressive quality of colour laser printing. At 415mm x 373mm x 342mm this colour laser will fit on a desk or a shared work space.

It's faster
The CLX-3175 series prints black and white documents faster than other laser printers. This is important because approximately 70% of colour laser and multi-function printouts are in black and white.

CLX-3175FN / CLX-3175FW vs ink-jet printers

It's constant
The CLX-3175 series produces consistent colour printouts which are water-resistant and long-lasting, while ink-jet printouts are susceptible to water and humidity exposure, and the images can fade over time.

It's quieter
BLI lab test certified that CLX-3175 series is the quietest multi-function printer in terms of vibration and average noise emissions.

It's compact
415mm x 373mm x 342mm. Small footprint saves precious space on your desk.

CLX-3175FN / CLX-3175FW
